

“We don’t just maintain properties; we maintain portfolios of properties. Our technology gives customers visibility to each property and their entire portfolio so they know everything’s being handled as they expect.”

Doug Haymore | President & CEO

COMMAND7™

In Command of Your Professional Maintenance, 7 Days a Week.

In Command of Your Professional Maintenance, 7 Days a Week.

By combining the infrastructure and technology capability of a national company with the quality and cost-effectiveness of local service providers, Command7 is able to consistently fulfill its commitments and stand out from the pack.

• **ON-TIME SERVICE**

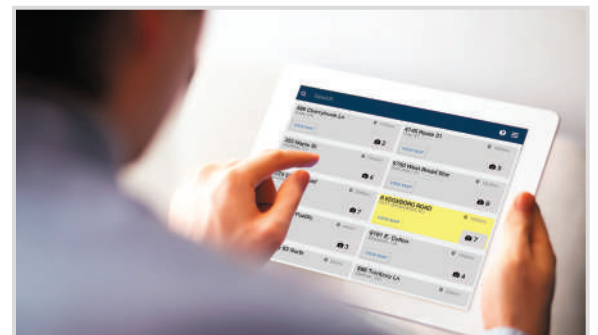

Using GPS tracking and real-time monitoring, we can ensure that our crews arrive on time and ready to complete the work that must be done that day.

• **PERFORMANCE TO SCOPE**

With our mobile app in the hands of all our service providers, we can eliminate guesswork and mistakes and deliver to scope every time, at every site across the nation.

• **PORTFOLIO-WIDE REPORTING**

Our cloud-based dashboard provides you with a real-time view of everything happening across your portfolio. Alerts and notifications keep you updated along the way.
